DIPLOMA IN COMPUTER SCIENCE STUDENT

ABOUT ME

A **final-year Diploma in Computer Science** student with a passion for continuous learning. Having built a foundation in programming and computer security, Drawn to computers and technology since the age of 14, currently looking to deepen that knowledge and gain hands-on experience in the tech industry.

Looking for a dynamic environment, with a drive to sharpen technical skills, collaborate with others, and grow both professionally and personally fueled by curiosity and a genuine enthusiasm for understanding how technology works at a deeper level.

COURSEWORK PROJECT

Event Management System (*Information System, Web Application*)

April 2026 – Present

- Developing a full-stack web-based venue booking system supporting three user roles: Customer, Venue Manager, and Administrator.
- Designing and implementing core features including user authentication, venue search and filtering, online booking, payment processing, and report generation.
- Building the front-end using HTML, CSS, and JavaScript, with PHP handling back-end logic and MySQL via XAMPP for database management.

Email Phishing Simulation (*Computer Security*)

Oct 2025 – Jan 2026

- Successfully led a team of four to research and simulate phishing attacks in a controlled environment.
- Conducted OSINT footprinting, network scanning using Nmap, and phishing simulation using Zphisher.
- Analyzed real-world Malaysian scam cases and proposed practical countermeasures to prevent phishing attacks.

Mouse Selection Support System (*SPM Individual Project*)

Aug 2022 - June 2023

- Developed a locally-hosted web application enabling users to help choose and compare products
- Implemented core features including, product comparison, submission, and listing.
- Integrated colour theme customisation feature to improve accesibility for users with colour blindness

EDUCATION

UiTM Kampus Kuala Terengganu, Kuala Terengganu, Terengganu

Oct 2024 - Present

- Diploma of Computer Science.
- Cumulative GPA: 3.00.
- Current GPA: 3.08.

SMK Bandar Tasik Puteri, Rawang, Selangor

Jan 2019 – Mar 2024

- *Sijil Pelajaran Malaysia* (SPM).
- Science Stream/Cross Stream.
